

Avizandum Statutes On Scots Family Law

Administrative Law Text and Materials combines carefully selected extracts from key cases, articles, and other sources with detailed commentary. Aimed at undergraduates studying administrative law, it provides comprehensive coverage of the subject and brings together in one volume the best features of a textbook and a casebook. Rather than simply presenting administrative law as a straightforward body of legal rules, this engaging, critical text considers the subject as an expression of underlying constitutional and other policy concerns, which fundamentally shape the relationship between the citizen and the state. The result is a fascinating account of a subject of crucial importance. Online Resource Centre: The book is supported by online an Online Resource Centre, offering the following useful resources: * Updates which cover all the legal developments since publication * "Oxford NewsNow" RSS feeds provide constantly refreshed links to the latest relevant new stories * Interactive timeline of key dates in British political history * Annotated web links

The fourth edition of Media and Entertainment Law has been fully updated, analysing some of the most recent judgments in media law from across the United Kingdom, such as *Cliff Richard v the BBC*, *Max Schrems v Facebook* and the Irish Information Commissioner, developments on the 'right to be forgotten' (*NT1* and *NT2*) and *ABC v Daily Telegraph* (Sir Philip Green). The book's two main themes are freedom of expression and an individual's right to privacy. Regulation of the communication industries is covered extensively, including discussion of the print press and its online editions following Leveson, traditional broadcasting regulations for terrestrial TV and radio as well as media activities on converged devices, such as tablets, iPads, mobile phone devices and 'on demand' services. Intellectual property law (specifically copyright) in the music and entertainment industries is also explored in the book's later chapters. Also new to this edition are sections on: A focus on freedom of expression: its philosophical foundations; the struggles of those who have fought for it; and the varied ways in which the courts interpret freedom of expression regarding the taking and publishing of photographs. The 'right to be forgotten', data breaches, and the General Data Protection Regulation (GDPR). The media's increasing access to the courts, particularly when considering the privacy of those who are suspected of sexual offences. Press regulators, broadcasting and advertising regulations, and film and video regulations. Election and party-political broadcast regulations, with a focus on social media and recent election fraud. The emergence of online music distribution services, internet radio and free digital streaming music services, and their effect on the music industry. The fourth edition also features a variety of pedagogical features to encourage critical analysis of case law and

one's own beliefs.

Scots Criminal Law " A Critical Analysis provides a clear statement of the current law for students and practitioners, with a theoretical and critical focus. This new edition has been updated to reflect changes in the law since the first edition published. Recognising the multi-faceted nature of this Scots law, Francis McManus and Eleanor Russell have produced this all-encompassing guide to delict. With numerous case studies and questions for discussion after each chapter, this is essential reading for all students encountering delict for the first time as well as practitioners who require a ready reference for their practice. The Scots law of delict encompasses a vast array of legal sources and contradictions. Many elements are modern and highly developed while others remain ancient and obscure. The majority of delictual principles are case law driven yet, increasingly, legislation plays a part. Further, although the concept of delict is limited to the Scottish jurisdiction, private international law cannot be ignored. "e;
