Brought up in a relatively liberal household, Jemima Emerson is quite a challenge for her tutor, John Reid, who is known as a Tory with strong ties to England. Jem and her family soon find themselves fighting for freedom in whatever ways they can in the Revolutionary War. Before long, Jem discovers that there is much more to Mr. Reid than she ever imagined. NALI By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be

shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

in the Chapel of Loretto in Santa Fe, Ann Rinaldi skillfully blends the mystery surrounding the staircase's builder with the daily trials of a spunky thirteen-year-old girl growing up in the 1870s.

Are you awed by the smell of flowers or the busy buzz of the bees? Are you awed by the all of the snow or the rustle of the trees? In *The Book of Awe*, readers are reminded to take a minute and see the beauty in the everyday things around them.

The daughter of Paul Revere tells of her father's secret—and her own: “A lively, exciting picture of Boston going to war...excellent.”—VOYA Thirteen-year-old Sarah Revere knows her father is a Patriot hero, a champion of the Colonies against the British. But she also knows that Paul Revere guards a secret about the start of the Revolutionary War that he will tell no one—not his new wife, not his best friend, not even his trusted daughter. It seems everyone in her family has secrets. Sarah's even got one of her own—and it's tearing her apart.... This is a “beautifully crafted” novel of a young girl growing up—and a country's battle for independence (School Library Journal). “As usual, Rinaldi has done her homework; the book is solidly researched and extremely well written. Readers will not soon forget these characters...Vivid in the best sense of the word.”—Kirkus Reviews A New York Public Library “Book for the Teen Age” Includes a reader's guide

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

Harriet Hemings, rumored to be the daughter of Thomas Jefferson and Sally Hemings, one of his black slaves, struggles with the problems facing her--to escape from the velvet cage that is Monticello, or to stay, and thus remain a slave.

Eleven-year-old Harriet Whitehead is an outsider in her own family. She feels accepted and important only when she is entrusted to write letters for her blind stepmother. Then Nat Turner, a slave preacher, arrives on her family's plantation and Harriet befriends him, entranced by his gentle manner and eloquent sermons about an all-forgiving God. When Nat asks Harriet for a map of the county to help him spread the word, she draws it for him wanting to be part of something important. But the map turns out to be the missing piece that sets Nats

secret plan in motion and makes Harriet an unwitting accomplice to the bloodiest slave uprising in U.S. history. Award-winning historical novelist Ann Rinaldi has created a bold portrait of an ordinary young girl thrust in to a situation beyond her control.

Fraser and Franny are two Fraser Fir trees who have grown up on a tree farm in the North Carolina mountains. After spending all their days together, they don't know what to expect as Christmas approaches and each is chosen by a family to adorn their homes for the holidays. Not your typical letter book, this story uses the alphabet to express the hopes and desires we have for every young life. The words engage the reader and the rhythm entertains the young learner. The illustrations complement the story but also offer additional learning opportunities with the use of color, letters and animals. This story is more than just an alphabet book but a celebration of all the wonders of life.

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon,

Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

A teenage orphan is caught up in President Lincoln's assassination—and another macabre plot—in this “fast-paced and dramatic” historical novel (Publishers Weekly). Emily's mother always told her that she should avoid Uncle Valentine, a doctor, that he was involved in things she shouldn't know about. But after Emily is orphaned—as Washington, DC, is in chaos due to the end of the Civil War—she has nowhere else to go. Now, in addition to coping with the loss of her mother, the fourteen-year-old finds herself involved in two mysteries. First, she wonders about her best friend, Annie Surratt, and the Surratt family. Annie has a signed picture of the handsome actor John Wilkes Booth in her room—but there seems to be more of a connection between Booth and the Surratt family than Emily thought...possibly including the plot to kill Lincoln. At the same time, Uncle Valentine's odd behavior leads Emily to suspect that he is involved with body-snatching. As dark secrets swirl around her, Emily must figure out who she can trust, in this suspenseful tale “with a wealth of interesting background information” (Publishers Weekly). “Rinaldi has woven two interesting plots here into a fine coming-of-age historical novel....Makes readers feel as if they are living in history.”—Booklist “A vivid account of the moral ambiguities surrounding body snatching—for medical research—at the close of the Civil War.”—Publishers Weekly Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. In 2015 Vines befriends photographer Timothy Duffy and the two begin to document the guitars, setting off a mutual outpouring of the creative spirit. But when Vines acquires a mysterious stack of wood from the site of a lynching, Vines and Duffy find themselves each grappling with the spiritual unrest and the psychic toll of racial violence living in the very grain of America.

“Carefully researched and lovingly written, Rinaldi’s latest presents a girl indentured to John and Abigail Adams during the tense period surrounding the 1770 Massacre. . . .

Fortuitously timed, a novel that illuminates a moment from our past that has strong parallels to recent events.
