Kids love to do Mazes and My First Big Book of Mazes is the perfect book for kids ages 4-8. It's always challenging to find the right balance in a puzzle book for kids. If the puzzles are too easy, they quickly become bored. If they are too challenging, they can easily become frustrated. My First Big Book of Mazes offers a good combination of both at an age appropriate level. Each page contains one puzzle and the flip page contains the solution. Easy access to the solution avoids frustration if the puzzle seems a bit hard at first. An added bonus is that these two pages serve as separate learning activities. The maze itself develops problem solving skills, spatial awareness and critical thinking skills. Tracing the path of the solution promotes eye hand coordination and fine motor skills. And the really important benefit is the fun your child will have doing these puzzles. Why not combine My First Big Book of Mazes with a Jumbo Activity Book for Kids and a Jumbo Coloring Book? Visit the Busy Hands Books Author Page to see them all! This Kids book of Mazes would make a great: Birthday gift for kids Christmas Gift Stocking Stuffer Party favor handout Homeschool workbook Kindergarten skills workbook

Fifty amazing mazes, each one completely different from the one before. With extra puzzles to solve and challenges to complete en route, encouraging children to develop their problem-solving and visual recognition skills.

Sean Jackson has been illustrating and exploring mazes for his own enjoyment for more than 30 years. Inspired by art, architecture, and the natural world, his colorfully detailed mazes offer imaginative and meditative journeys through village streets, garden vistas, island habitats, castle grounds, scenic towns, and gravity-defying surreal situations—each encouraging the mind to wander while following the paths. This large-format collection features nearly 50 absorbing single-page and full-spread mazes, sequenced with increasing complexity, and includes inventive bonuses such as mazes with two paths to follow and a maze that runs on the inside covers from front to back. Solutions are provided, but for those seeking mindful activity or hours of puzzle decoding entertainment, getting there will be half the fun.
