Health and welfare issues of brachycephalic (flat-faced) animals are one of the most pressing problems facing companion animals right now. Dogs, in particular, are suffering from a 'brachycephalic crisis' resulting from a perfect storm where predispositions to an array of health issues are amplified by a population boom for certain brachycephalic breeds such as the French Bulldog and Pug. But yet, for many owners, these dogs represent the perfect companion: endearing personas and cute looks in a socially desirable package. So where is the truth in all of this? This book will equip veterinary professionals, animal welfare scientists, breeders and owners with the fuller story about brachycephalic health and welfare. The first half of the book provides the context of how and why we are in this crisis, offering in-depth historical, social, ethical, communication, nursing, welfare, epidemiological, genetics and international perspectives. The second half shifts towards the clinical arena, with chapters that cover the background, diagnosis, treatment and prevention of the many unique healthcare needs of brachycephalic animals. Cutting-edge knowledge is shared on a range of disciplines including respiratory disease, ophthalmology, dermatology, dentistry, neurology, obesity, reproduction and anesthesia. With twenty chapters written by world-leading experts, lifetimes of experience and knowledge are condensed into the first book dedicated exclusively to brachycephaly in companion animals. This essential reference resource will inform, challenge and stimulate; it will open your mind to new opportunities for you to improve the welfare of brachycephalic animals by your personal and collective choices and actions. But prepare to be surprised: you may just find that your views on brachycephaly in companion animals will be changed forever.

A Dog's Purpose—the #1 New York Times bestseller and major motion picture—is a perfect gift to introduce dog lovers to this wonderful series. Based on the beloved bestselling novel by W. Bruce Cameron, A Dog's Purpose, from director Lasse Hallström (The Cider House Rules, Dear John, The 100-Foot Journey), shares the soulful and surprising story of one devoted dog (voiced by Josh Gad) who finds the meaning of his own existence through the lives of the humans he teaches to laugh and love. The family film told from the dog's perspective also stars Britt Robertson, KJ Apa, John Ortiz, Peggy Lipton, Juliet Rylance, Luke Kirby, Pooch Hall and Dennis Quaid. A Dog's Purpose is produced by Gavin Polone (Zombieland, TV's Gilmore Girls). The film from Amblin Entertainment and Walden Media will be distributed by Universal Pictures. Screenplay by W. Bruce Cameron & Cathryn Michon and Audrey Wells and Maya Forbes & Wally Wolodarsky.

Heartwarming, insightful, and often laugh-out-loud funny, A Dog's Purpose is not only the emotional and hilarious story of a dog's many lives, but also a dog's-eye commentary on human relationships and the unbreakable bonds between man and man's best friend. This moving and beautifully crafted story teaches us that love never dies, that our true friends are always with us, and that every creature on earth is born with a purpose. Bailey's story continues in A Dog's Journey, the charming New York Times and USA Today bestselling direct sequel to A Dog's Purpose. Children ages 2 to 5 will love this Little Golden Book--retelling an episode of the new Disney Junior show Puppy Dog Pals--in which the pugs get an awesome parade to march right by their house. Puppy Dog Pals is a preschool show that follows the adventures of Bingo and Rolly as they travel the world doing whatever it takes to make their owner, Bob, happy.

In this touch-and-feel book, kids get to experience the Pug Life along with Bingo and Rolly. Head outside to Puppy Paradise (aka Bob's backyard) complete with a puppy pool, a sandbox, a twisty slide, plus a tricked-out two-story doghouse with a collaring-up station, video games, and all sorts of other cool inventions!

Expert dog trainer, Alex Seymour, writes in a fun and entertaining way about Pugs while 37 expert breeders and vets were actively involved in contributing and being involved in the making of this book. This book is full of useful quotes giving advice and tips from the world's top Pug breeders who between them have hundreds of years of experience.

Adorable photographs of puppies and kittens guide elementary students through the basics of telling time. Starting with 'Words to Know,' which introduces students to new vocabulary before encountering it in the text, this volume proceeds to explain how to read time from analog and digital clocks to the half hour, the difference between a.m. and p.m., and the various ways to write the time. Fact boxes and activities enhance the math concepts. A further reading list with books and websites provides additional sources of information.

Math is fun and easy with this delightful text, which teaches elementary students the basics of subtraction through appealing images of puppies and kittens. This book supports the Common Core Mathematical Standards Basic by helping students develop strategies for solving equations within 20, such as counting back or using the relationship between addition and subtraction to understand fact families and double facts. Number lines, fact boxes, and activities enhance the math concepts. A further reading list with books and websites encourages further exploration.

Two pugs. One beloved toy bunny. What could go wrong? Sunny's new little sister, Rosy, is getting her paws into everything. When Rosy takes Sunny's favorite toy, Mr. Bunny, and loses him, Sunny is barking mad. But when Rosy sets off on her own to find and rescue Mr. Bunny, Sunny starts to worry. Rosy's never been outside by herself before. Sunny will have to gather all the canine courage she has and go after them -- before Rosy and Mr. Bunny are both lost fur-ever! The three little pugs just want to curl up and take a nap, but the big bad cat is sleeping in their basket! Once upon a rug, there were three little pugs. Gordy, Jilly, and Zoie love to race, chase, and play pug-o-war. But most of all, they love snoozing in their big, cozy basket. Then one day just before their morning nap, the big bad cat decides to make himself at home in the pugs' beloved basket! Will they figure out how to keep him away before they get too sleepy?

A revised edition of the best-selling reference on canine psychology incorporates the latest scientific findings and interviews with top breeders and trainers to enable dog lovers to evaluate a pet's intelligence, read dog body language, and adapt a training program suited to an animal's specific needs. By the author of How Dogs Think. Original. 10,000 first printing.

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

Who's a good dog? In the tradition of bestselling photography books like Underwater Dogs and Shake comes an adorable and hilarious collection of dog photographs capturing our best friends at one of their favorite moments--treat time. Photographer Christian Vieler caught these eager dogs anticipating, catching--some more successfully than others--and enjoying a scrumptious tidbit. From a tenacious terrier to a goofy golden retriever, these often hilarious and surprisingly beautiful photographs capture each dog's unique personality in a way any dog owner will recognize and that all dog lovers will enjoy!

This 5-STAR Book by award winning author Daniel David Elles (danieldavidelles.com) is illustrated by a 5th Grader to help kids read and to promote Anti-Bullying! The Adventures of Elvis the Pug (iamelvisthepug.com) is a children's inspirational and educational series for the ages of 7-to-11 (Grades 2-5). Full of twists and surprises, this 100-page story will certainly capture your child's interest as they learn valuable information – animals, geography, history, science, math, etc. – and cherished life lessons. It's all about FAMILY VALUES and to interact with others as they wish to be treated. The series follows the foundation – laid down by Dr. Seuss, Walt Disney, and Sesame Street – where kids can learn more about schools subjects and family values through other kids and characters. That's why these books are illustrated by a 5th Grader and Elvis the Pug is the encouraging character to help kids read and learn. VOLUME II: Bullies are Bad...KIDS R. KOOL! SYNOPSIS: Elvis, a beautiful brown Pug, was recently adopted by a loving family in the small town of St. Clair, Michigan (see Volume I: Lost in Canada). On a school wide field trip, the Jones family pets (Elvis the Pug and Crazy the Cat) accompany the elementary students on their day long field trip to The Jones Family Farm. At this 500 acre farm, nestled alongside the thick woods of St. Clair County, the children are ecstatic to learn all about horses, pigs, deer, chickens, cows, etc. Everyone is excited. But then, after the lunch break, a group of kids gets lost in the enormous woods. Trying to find their way back before the school buses depart, the children – with Elvis and Crazy – are suddenly confronted by a hungry black bear. With Elvis protecting the children, they manage to escape the clutches of the bullying bear. However, as the bear continues to track them, they are threatened by a pack of angry wolves. The children turn to their bullied classmate Herman for help. That's right! The dyslexic and stuttering 5th Grader, who the kids continuously picked on, now comes to their aid to lead them out of the darkening woods. · Can Herman help save the day...just like the bullied Rudolph did for Christmas? · Can he get them back before the busses depart at dark? · Can Elvis the Pug and

Crazy the Cat help Herman? LET'S STOP BULLING...NOW! Kids are often bullied because they're perceived to be different. Not only color, race, religion, etc.; but differences, like: ADHD, Anxiety, Asperger, Autism, Depression, Downs, Dyslexia, Stuttering, etc. These profoundly affect so many of our children. But, their classmates don't realize there is no "normal" and bully them anyway. · 160,000 kids, in America, miss school every day because of bullying · 56% of kids witnessed bullying. But, by age 14, they live with it. With this wonderful sequel to Volume I: Lost in Canada; our children will learn the terrible effects of bullying, while being educated in all kinds of core subjects and quickly realize that there is no "normal". They learn, through Elvis, to respect others and to treat everyone equally and fairly! Elvis the Pug makes it all possible in an action-packed and entertaining story. A warm and entertaining memoir about what happens when you foster fifty dogs in less than two years—and how the dogs save you as much as you save them. When Cara felt her teenaged children slipping away and saw an empty nest on the horizon, she decided the best way to fill that void was with dogs—lots of them—and so her foster journey began. In 2015, her Pennsylvania farm became a haven for Operation Paws for Homes. There were the nine puppies at once, which arrived with less than a day's notice; a heart- worm positive dog; a deeply traumatized stray pup from Iraq; and countless others who just needed a gentle touch and a warm place to sleep. Operation Paws for Homes rescues dogs from high-kill shelters in the rural south and shuttles them north to foster homes like Cara's on the way to their forever homes. What started as a search for a good dog, led to an epiphany that there wasn't just one that could fill the hole left in her heart from her children gaining independence—she could save dozens along the way. The stories of these remarkable dogs— including an eighty-pound bloodhound who sang arias for the neighbors—and the joy they bring to Cara and her family (along with a few chewed sofa cushions) fill the pages of this touching and inspiring new book that reveals the wonderful rewards of fostering. When asked how she can possibly say goodbye to that many loveable pups, Cara says, "If I don't give this one away, I can't possibly save another." Filled with humanity and hope, Another Good Dog will take the reader on an journey of smiles, laughs, and tears—and lead us to wonder how many other good dogs are out there and what we can do to help.

Wally, Henry, and the rest of the pirate puppies are back for more adventures, this time dealing with some disagreeing pugs and a stranded situation.
