

## Richard Branson The Life And Business Lessons Of Richard Branson

Throughout my life I have achieved many remarkable things. In *Screw It, Let's Do It*, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on Gaia Capitalism to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In *Screw It, Let's Do It* I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

'Branson has a list of achievements unmatched by any other UK businessman. For anyone burning with entrepreneurial zeal, his reminiscences are akin to a sacred text' Mail on Sunday THE NO.1 INTERNATIONAL BESTSELLER The worldwide bestselling autobiography of iconic entrepreneur Sir Richard Branson, with over two million copies sold to date. Much more than a memoir, this is Sir Richard Branson's own take on his extraordinary life so far – and a definitive business guide that reveals his unique philosophy of commerce, success and life. In *Losing My Virginity*, you'll discover how Virgin grew from a mail-order music business into a path-breaking global brand. From the \$25 million Virgin Earth initiative to the launch of Virgin Galactic, this is a powerful and unique look into the life of an iconic global entrepreneur.

When Richard Branson talks, people listen. The creator and nurturer of Virgin-everything never hesitates to offer up quality and inspirational advice - advice that is worth its weight in gold. On the flip side of this, however, Branson has proven himself to be quite the rebel billionaire. His thoughts, points of views, and advice are not always what many people would think a billionaire would say. Branson's words on how he got to where he is and how he keeps going may not always be what you'd think. Check out *Richard Branson: The Virgin Rebel Billionaire* today!

Mathematics instructors are always looking for ways to engage students in meaningful and authentic tasks that utilize mathematics. At the same time, it is crucial for a democratic society to have a citizenry who can critically discriminate between "fake" and reliable news reports involving numeracy and apply numerical literacy to local and global issues. This book contains examples of topics linking math and social justice and addresses both goals. There is a broad range of mathematics used, including statistical methods, modeling, calculus, and basic algebra. The range of social issues is also diverse, including racial injustice, mass incarceration, income inequality, and environmental justice. There are lesson plans appropriate in many contexts: service-learning courses, quantitative literacy/reasoning courses, introductory courses, and classes for math majors. What makes this book unique and timely is that the most previous curricula linking math and social justice have been treated from a humanist perspective. This book is written by mathematicians, for mathematics students. Admittedly, it can be intimidating for instructors trained in quantitative methods to venture into the arena of social dilemmas. This volume provides encouragement,

support, and a treasure trove of ideas to get you started. The chapters in this book were originally published as a special issue of the journal, PRIMUS: Problems, Resources, and Issues in Mathematics Undergraduate Studies.

Richard Reed built Innocent Drinks from a smoothie stall on a street corner to one of the biggest brands in Britain. He credits his success to four brilliant pieces of advice, each given to him just when he needed them most. Ever since, it has been Richard's habit, whenever he meets somebody he admires, to ask them for their best piece of advice. If they could tell him just one thing, what would it be? Richard has collected pearls of wisdom from some of the most remarkable, inspiring and game-changing people in the world - in business, tech, philanthropy, politics, sport, art, spirituality, medicine, film, and design. From Hollywood greats like Judi Dench and Richard Curtis, to entrepreneurial legends like Richard Branson and Simon Cowell; from sports stars and TV personalities like Andy Murray and James Cordon to political activists and born survivors like Mandela's Comrades and Katie Piper, Richard has picked some of the world's most interesting brains to give you a lesson in how to live, how to love, how to create and how to succeed.

Describes the life and career of Richard Branson, from his boyhood struggle with dyslexia and his earliest businesses to his accomplishments in the music and airline fields, his adventures, and his work for the environment and other causes.

For the last 50 years, drug prohibition laws have put the market for illegal drugs into the hands of organised criminals. Now, it's time to take control. Ending the failed war on drugs will reduce drug-related violence, tackle organised crime, end the needless criminalisation of millions, and will halt the drain on government funds and resources. In this book, global opinion-leaders on the frontline of the drug debate describe their experiences and perspectives on what needs to be done. Highlighting the pitfalls behind drug policy to-date and bringing to light new policies and approaches, which make a clear case for galvanizing governments to end the war on drugs – once and for all.

All successful leaders have a secret power - where's yours? When leadership becomes a byword for control, and trust is outdated - how should YOU respond? 'Believe nothing, test everything'. This is the war cry of the maverick. This scream, an essential cornerstone of the maverick mindset. Leadership and maverick expert Judith Germain provides the blueprint to becoming a successful leader. - Discover the 5 maverick attributes all 'natural leaders' possess - Master the 8 maverick capabilities that all successful leaders demonstrate - Extend your influence by utilising the 3 key power bases - Become a transformational leader by deploying the Maverick DRIVEN Leadership(TM) Methodology 'Judith is one of those rare people who actually knows what she's talking about. She provides results based on good research and a professional approach'. Peter Clayton, author of 'Body Language at Work' and body language consultant for the BBC and ITV "Oh, screw it, let's do it." That's the philosophy that has allowed Richard Branson, in slightly more than twenty-five years, to spawn so many successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), to retail (Virgin Megastores), and nearly a hundred others, ranging from financial services to bridal wear, Branson has a track record second to none. Losing My Virginity is the unusual, frequently outrageous autobiography of one of the great business geniuses of our time. When Richard Branson started his first business, he and his friends decided that "since we're complete virgins at business, let's call it just that: Virgin." Since then, Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Many of Richard Branson's companies--airlines, retailing, and cola are good examples--were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. And in this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the

fullest. Family, friends, fun, and adventure are equally important as business in Branson's life. *Losing My Virginity* is a portrait of a productive, sane, balanced life, filled with rich and colorful stories: Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment Swimming two miles to safety during a violent storm off the coast of Mexico Selling Virgin Records to save Virgin Atlantic Staging a rescue flight into Baghdad before the start of the Gulf War . . . And much more. *Losing My Virginity* is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum. Also available in the UK from Virgin Publishing, and in Canada from General Publishing, From the Hardcover edition.

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box--an expression he despises--but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

Richard Branson, who has been called "England's most outrageous billionaire," is also one of the world's most successful business leaders. Since the age of 16, when he founded *Student* magazine, Branson has been creating companies and finding innovative ways to grow them into the prodigious conglomerate known as the Virgin Group. At the age of 20, Branson founded a mail-order record retailer. Two years later he built a recording studio where the first artist signed to his Virgin label, Mike Oldfield, recorded the haunting soundtrack to *The Exorcist*. Decades later, industries as varied as entertainment (Virgin Music), retail (Virgin Megastores), transportation (Virgin Airlines), and telecommunications (Virgin Mobile) all bear Branson's business moniker. For the first time, the most thought-provoking, revealing, and inspiring quotes from Branson are compiled in a single book. *Virgin Rebel: Richard Branson in His Own Words* is a comprehensive guidebook to the inner workings of the Virgin Group chairman and founder. Hundreds of Branson's best quotes, comprising thoughts on business, music, entrepreneurship, politics, exploration, and life lessons, provide an intimate and direct look into the mind of this modern business icon.

"The brave may not live forever-but the cautious do not live at all!" -Sir Richard Branson  
Richard Branson is an iconic entrepreneur and the founder of Virgin Airways, Virgin Records, and many other Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson

strips business down to show how you can succeed and make a difference.

A look into the mind of “the world’s consummate entrepreneur” through his quotes on leadership, branding, innovation, social responsibility, and more (Huffington Post). Richard Branson, who has been called “England’s most outrageous billionaire,” is also one of the world’s most successful business leaders. Since the age of 16, when he founded Student magazine, Branson has been creating companies and finding innovative ways to grow them into the prodigious conglomerate known as the Virgin Group. At the age of 20, Branson founded a mail-order record retailer. Two years later he built a recording studio where the first artist signed to his Virgin label, Mike Oldfield, recorded the haunting soundtrack to *The Exorcist*. Decades later, industries as varied as entertainment (Virgin Music), retail (Virgin Megastores), transportation (Virgin Airlines), and telecommunications (Virgin Mobile) all bear Branson’s business moniker. For the first time, the most thought-provoking, revealing, and inspiring quotes from Branson have been compiled in a single book. Updated and redesigned since its initial publication in 2013 as *Virgin Rebel: Richard Branson in His Own Words*, this new edition is a comprehensive guidebook to the inner workings of the Virgin Group chairman and founder. Hundreds of Branson’s best quotes, comprising thoughts on business, music, entrepreneurship, politics, exploration, and life lessons, provide an intimate and direct look into the mind of this modern business icon. “I have no secret. There are no rules to follow in business. I just work hard and, as I always have done, believe I can do it.” —*Screw It, Let’s Do It*, page 30

**SPECIAL DEAL!!!** Buy the paperback version of the book NOW to receive the kindle version (\$2.99) for FREE! Richard Charles Nicholas Branson was born on July 18, 1950 in Surrey, England. Toiled during his school years and dropped out at the young age of 16. This turn of events actually led to the origin of Virgin Records. Began in the industry of music, Branson's initiatives and enterprises spread into many different industries, leading to Branson's status as a billionaire. His original Virgin Group currently has over 200 different companies, including a space touring company, Virgin Galactic. Branson is well-known for his adventurous spirit, such as flying in a hot air balloon across the Atlantic Ocean. This book examines some of Richard Branson's famous quotes and analyze the meaning and significance of each. Along with each quote is the real life story of how Richard Branson himself implements those same principles effectively in his life and business These quotes will focus on a variety of topics such as: Quote

# 1 - On Pitching Your Business Quote # 2 - On Punctuality Quote # 4 \_ On Being Decisive Quote # 5 - On Communication Quote # 6 - On Fear Quote # 7 - On Social Media Quote # 8 - On Missed Opportunities Quote # 9 - On Finding Opportunities Quote # 10 - On Being Organized Quote # 11 On Taking Action Quote #12 - On Treating Employees Quote # 13 - One Taking Risks If you are into entrepreneurship and is a Branson's fan, then you cannot miss out on this amazing book.

The unusual, frequently outrageous autobiography of one of the great business geniuses of our time, Richard Branson. In little more than twenty-five years, Richard Branson spawned nearly a hundred successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), and others ranging from financial services to bridal wear, Branson has a track record second to none. Many of his companies were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. In this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Family, friends, fun, and adventure are equally important as business in his life. Losing My Virginity is a portrait of a productive, sane, balanced life, filled with rich and colorful stories, including: - Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe - Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins - Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment - Swimming two miles to safety during a violent storm off the coast of Mexico - Staging a rescue flight into Baghdad before the start of the Gulf War And much more. What makes him inspirational His ideas of a successful career.

And some beautiful quotes by Richard Branson

Richard Branson: 45 Life Changing Teachings from Richard Branson about Life and Business In 1966, a sixteen-year-old school dropout, a dyslexic, started off as an entrepreneur and tried new things despite his inexperience and lack of knowledge. Today he is a well-known business magnate who launched the Virgin Records in 1973. The Virgin group currently, has over 400 companies in about 30 countries across the world. This young boy who I am referring to is - Richard Branson, commonly referred to as Sir Richard Branson.

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box—an expression he despises—but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

Do you want to know what made Richard Branson so successful? This book offers an introduction to Branson, his businesses and the lessons that they teach us. It is not a text book nor a biography, but more of a cheat sheet for reading on the bus or in the bathroom, so that you can pick out the most significant points without having to carry around a bag of weighty tomes. You can read it all in one sitting, or look up specific case studies as and when you are looking for inspiration or direction. The key lessons outlined here are drawn from interviews Branson has given over his more than 40 years in business, from the numerous blogs and articles written by him and about him, and, most importantly, from the successes and failures of many of his commercial ventures. Though his theories and analysis are certainly important, and this book does indeed give them credence, the hardcore details of what worked and what didn't, combined with the reasons why, are the most useful sources you have as a businessman, whether you are following in Branson's footsteps as an entrepreneur, or contemplating his businesses from afar.

Sir Richard Branson's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body "Virgin Unite". As ever, his thirst for challenge is unquenched. Sir Richard reveals the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking

Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational. Extraordinary. Revealing Sir Richard's unique story, his personal philosophy on life, the Virgin brand and business Losing My Virginity is an autobiography without equal.

Winner of the 2010 Non-Fiction National Book Award Patti Smith's evocative, honest and moving coming-of-age story of her extraordinary relationship with the artist Robert Mapplethorpe

Richard Branson Unofficial : How to Be a Successful Person in Business and LifeCreatespace Independent Publishing Platform

Richard Branson is a well-known international entrepreneur, and his lessons in life and in business, have served as an inspiration for everyone who dreams of pursuing a career in business, and seeks to make a name for themselves in the competitive world around them. In this book, you will learn about Branson, his different businesses as well as lessons he learned along the way that you can integrate in your daily life. This isn't a biography, it is more about how Branson got started in business, how he managed them, and how he handled failures and criticisms. This book also offers tips, advice, and secrets of how Branson achieved success in business, in spite of his many failures and the obstacles he faced along the way. If you want to achieve success like Richard Branson as an entrepreneur, planning to establish your own business, this book will prove to be a useful source of inspiration to help you along the way.

Not many businessmen are as well-known their personal lives as by the business empires they run. In fact, few of us would probably know much about the owners of most businesses. However, when you hear the name Virgin Group, the

name of Richard Branson comes to mind immediately. Branson, who was knighted at Buckingham Palace in March of 2000, becoming Sir Richard Branson, has an estimated net worth of US \$5.2 billion. Keep in mind that he runs a multitude of businesses and that his net worth is increasing day by day. This means that by the end of his life his net worth will probably be much higher than it is currently. Branson is known for his adventurous spirit, not only as an entrepreneur, but also in sports and other areas of his life. In fact, he has broken and holds a few world records. Also, let's not forget that he is a world-famous face. He has businesses all over the world or at least in the major countries of the world. Additionally, he has made several appearances in many TV shows and movies. Needless to say, he isn't just a recognizable name, but for most of us, he is also a familiar face. How did Richard Branson become what he is now? What businesses does he run? Why is so much known about his personal life? What is his contribution to the world, in addition to just the entrepreneur world? Find the answers to these questions and many more in this book.

From the trailblazing founder and CEO of the Virgin Group, a powerful argument for using business to make a positive impact in the world. Richard Branson, one of the world's most famous and admired business leaders, argues that it's time to turn capitalism upside down—to shift our values from an exclusive focus on profit to also caring for people, communities and the planet. As he writes, “My message is a simple one: business as usual isn't working. In fact, it's 'business as usual' that's wrecking our planet. Resources are being used up; the air, the sea, the land—are all heavily polluted. The poor are getting poorer. Many are dying of starvation or because they can't afford a dollar a day for life-saving medicine. . . . Prophesying doom and gloom is simply not my style. . . . I think business can help fix things and create a more prosperous world for everyone. I happen to believe in business because I believe that business can be a force for good. By that I mean doing good is good for business.” *Screw Business as Usual* shows how easy it is for both businesses and individuals to embark on a whole new way of doing things, solving major problems and turning our work into something we both love and are proud of.

Details the life and career of the trend-setting, thrill-seeking businessman famous for founding the Virgin Group. Throughout my life I have achieved many remarkable things. In this book I'll share with you my ideas and secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and into new and exciting areas - such as launching Virgin fuels. But I have also brought together all the important lessons, good

advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.

This book reveals who the real Sir Richard Branson is. We will show you that he is not the playboy one might think he is and he is actually not as rich as people think he is - he is richer. There are a lot of errors out there in the public domain about Richard and we will bring those errors to a close in this book. When you think of Richard Branson, most would most likely think of the Virgin group or think of Virgin Airlines. It is indeed the case that the product has overtaken the man. This book will show you, without a doubt, that the man and the brand are totally unlike each other and that the man behind the brand is really a highly empathic person who, until recently, did not know how to read a Balance Sheet. What he brings to the table is not MBA level business acumen or strategy - what he brings to the table is a brand that represents unyielding quality and class. The Virgin brand is not just a group of companies that belong to Richard, it is a flagship of companies where Richard is the principal investor and lends his name to the business. This is a highly beneficial arrangement and we will show you in this book how all this came to be. From Virgin Records to his labs that do advanced energy research. It's all covered. Don't wait any longer! Scroll up and click the 'Buy Now' button now to learn more about the man behind Virgin.

It's business school, the Branson way. Whether you're interested in starting your own business, improving your leadership skills, or simply looking for inspiration from one of the greatest entrepreneurs of our time, Richard Branson has the answers. Like a Virgin brings together some of his best advice, distilling the experiences and insights that have made him one of the world's most recognized and respected business leaders. In his trademark thoughtful and encouraging voice, Branson shares his knowledge like a close friend. He'll teach you how to be more innovative, how to lead by listening, how to enjoy your work, and much more. In hindsight, Branson is thankful he never went to business school. Had he conformed to the conventional dos and don'ts of starting a business, would there have been a Virgin Records? A Virgin Atlantic? So many of Branson's achievements are due to his unyielding determination to break the rules and rewrite them himself. Here's how he does it.

The series focuses on the people who inspire children today. This book looks at the background, life and achievements of Richard Brandon, his impact on popular culture as well as detailing the everyday facets of his job and how he has gained such success.

Twenty years after his iconic memoir *Losing My Virginity*, the world's ultimate entrepreneur is back with the rest of the story. Richard Branson's *Losing My Virginity* shared the outrageous tale of how he built Virgin from a student magazine

into one of the greatest brands in history. No challenge was too daunting, no opportunity too outlandish to pursue. And each new adventure started with five simple words: “Screw it, let’s do it.” Now, fifty years after starting his first business, Branson shares the candid details of a lifetime of triumphs and failures and what he really thinks about his unique life and career. Finding My Virginitly is an intimate look at his never-ending quest to push boundaries, break rules, and seek new frontiers—even after launching a dozen billion-dollar businesses and hundreds of other companies. As he led Virgin into the new millennium, Branson fearlessly expanded the brand into new categories such as mobile, media, fitness, and banking and into every corner of the globe—all while preserving its iconoclastic, scrappy spirit. He even brought Virgin into space with Virgin Galactic, the world’s first commercial spaceline. Finding My Virginitly takes us behind the scenes of the incredible brains, heart, and sacrifices that have gone into making private spaceflight an imminent reality—even after the biggest crisis Branson has ever faced. But this book is much more than a series of business adventures. It’s also the story of Branson’s evolution from hotshot entrepreneur to passionate philanthropist and public servant, via Virgin Unite’s environmental and health initiatives and through the Elders, a council of influential global leaders. And it’s the story of his personal quest to become a better son, husband, father, and “grand-dude” to his four grandchildren. Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss, Nelson Mandela to Barack Obama, this is the gripping account of a man who will never stop reaching for the stars, in more ways than one. Find out how Branson did it for the first time—all over again.

Richard Branson's life is an adventure, from record-breaking balloon flights to courtroom battles with British Airways. This autobiography of the founder of the Virgin empire, offers an insight into the private and public world of this larger-than-life entrepreneur.

If you’re in sales, unleash the power of purpose to inspire customers to be passionate brand ambassadors. Everyone wants more meaning. We all inherently know that purpose is powerful, but this is the ground-breaking book to unleashing the purpose within your career, company, and life goals. This book will show you how to profit with purpose, whether you’re the one calling the shots or a junior employee looking to advance. Get paid to change the world – who wouldn’t want to be the person doing that?

Sir Richard Branson is an English business magnate, investor and philanthropist. He founded the Virgin Group, which controls more than 400 companies. Branson expressed his desire to become an entrepreneur at a young age. His first business venture, at the age of 16, was a magazine called Student. In 1970, he set up a mail-order record business. He opened a chain of record stores, Virgin Records-later known as Virgin Megastores-in 1972. Branson's Virgin brand grew rapidly during the 1980s, as he set up Virgin Atlantic airline and expanded the Virgin Records music label. In March 2000, Branson was knighted at Buckingham Palace for "services to entrepreneurship." For his work in retail, music and transport (with interests in land, air, sea and space travel), his taste for adventure, and for his humanitarian work, he became a prominent figure. In 2002, he was named in the BBC's poll of the 100 Greatest Britons. In 2004, he founded spaceflight corporation Virgin Galactic, noted for the SpaceShipOne project. In November 2017, Forbes listed Branson's estimated net worth at \$5.1 billion.

The name Virgin Group is widely known to most people in the world, and so is the name of its founder. Sir Richard Charles Nicholas Branson knew at a very young age that he wanted to be an entrepreneur. He launched his first business venture when he was 16 years old, an age when most teenagers are not even sure what they want to do in their lives. With an estimated net worth

of US\$5.2 billion (which is increasing with every passing day), Branson was knighted in Buckingham Palace in March 2000. With over 400 companies operating under the Virgin Group banner, Richard Branson is surely an inspiration for anyone who wants to make it to the top in the world of entrepreneurship. Whether it is his record business or his airlines business, it seems as if whatever he touches turns into gold and he becomes more and more of a success. Do you want to know more about the life of Richard Branson? Do you want to know where he was born and about his family? Do you want to know how he started his life as an entrepreneur and how he made it to the Forbes list of billionaires? Continue reading and you will find all your answers right here.

"Much more than just a memoir, this is Richard Branson's own take on his extraordinary life so far - and a definitive business guide that reveals his unique philosophy on commerce, success and life."--Page 4 of cover.

**#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer’s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as To Kill a Mockingbird, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, The New York Review of Books “Searing, moving . . . Bryan Stevenson may, indeed, be America’s Mandela.”—Nicholas Kristof, The New York Times “You don’t have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful.”—Ted Conover, The New York Times Book Review “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he’s also a gifted writer and storyteller.”—The Washington Post “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—The Financial Times “Brilliant.”—The**

### Philadelphia Inquirer
