

Saboteur

Detective Isaac Bell's investigation into an attempted assassination brings him to the site of the Panama Canal--and straight into a nest of vipers--in the latest adventure in the #1 New York Times bestselling series from Clive Cussler. Detective Isaac Bell's wife has said that he is always in the wrong place at the right time. This is certainly the case when Bell thwarts the attempted assassination of a United States Senator shortly after meeting the man. This heroic rescue is just the start of the mystery for Bell, who suspects that the would-be assassins have a much larger and more dangerous agenda--one involving the nearly-constructed Panama Canal. While the Senator supports the building of the canal, there are many, including a local Panamanian insurgency known as the Red Vipers, who never want to see the its completion. With millions of dollars and the fates of two nations at stake, Bell heads to Panama to find answers. After a deadly bombing at the Canal's construction site, he is determined to stop the insurgents--or whoever is funding them--before they can attack again.

On a summer night in 1944, a German submarine, the U-1299 slips away from its moorings at the 1st Flotilla's base in France. Its mission is to land two saboteurs on a deserted beach on the coast of Virginia. Their mission is to assassinate the president of the United States. Crossing the Atlantic, the U-1299 encounters a U.S. destroyer and is nearly sunk by depth charges, but is able to land the saboteurs on a deserted beach where they are to meet contact, a spy in the British Embassy. Upon reaching the beach, the two men bury their uniforms, weapons, and identification tags, expecting to retrieve them later. One of the men is injured in the landing and is caught by a Coast Guard patrol. The other saboteur escapes, meets his contact and disappears. Five years later, a retired FBI agent on vacation is searching the beach with a mine detector for coins washed ashore from shipwrecks. He discovers the buried weapons and the identification tags. After researching police and FBI files, he learns that the man who was caught received a thirty-year prison sentence. The other saboteur was never apprehended and is still on the FBI's most wanted list. The hunt for the saboteur begins...a story of espionage, attempted murder, and assassination.

Yes, they're annoying to work with. But it's more than that - they're costing us millions. Although it's rampant, little attention has been paid to the art of undermining and manipulating projects. Analysing the motivation and methods of project saboteurs will lead to large savings and better project results. Know your project saboteur!

SABOTEURS is the most critical and groundbreaking work to date by prolific investigative author Thomas Horn. From his earliest opus on secret societies and the occult to this new unnerving chronicle, Dr. Horn returns to Washington, DC to expose a harrowing plot by Deep State Alister Crowley and Masonic devotees that hold an almost unbelievable secret they do not want you to understand: American society is being manipulated through a Washington-based Shadow Government in quest of that Final World Order prophesied in the books of Daniel, Revelation, and on the Great Seal of the United States! SABOTEURS goes beyond the superficial chaos currently playing out in the public square and in media against the Trump administration to unveil a far more sinister resistance made up of sorcerous elites, their secret societies, and world power brokers who plot the insidious rise of a messianic strongman figure they call The Grey Champion. This investigation addresses: ¿The supernatural truth behind the ¿Trump Derangement Syndrome¿ ¿How the federal bureaucracy is a tool of Deep State Occultists¿ Shocking revelations about Satanism in the US Capitol from WikiLeaks¿ What¿s in the Shadow Government two miles from the White House¿ Obama, Alinsky, and a dedication to Lucifer¿ Steve Bannon, the Fourth Turning, and The Grey Champion¿ The

Necronomicon and why ZENITH 2016 may have just been fulfilled; Why Rabbis in Israel believe Donald Trump is paving way for Messiah; Hidden truth about Pope Francis and Dr. Horn; s next major prediction; House of Cards, the Bohemian Grove, and the secret deal that was done; Hilarion, witchcraft, the Babalon Working, and Spirit Cooking 2020; And much more! Dr. Thomas R. Horn is a long-time television and radio personality, publisher, and best-selling author. He also serves as the Chief Executive Officer of SkyWatch TV and Defender Publishing.

The United States had not been attacked by a foreign military force since the war of 1812. Yet in July 1918, a German U-boat shelled local shipping off a little town on Cape Cod, Massachusetts. That strategically absurd but actual event sets the scene for a compelling tale of innocence, survival, and honor. A young student has been forced into the Imperial German Navy because of his language translation skills. On a huge German U-boat, he translates US Navy radio traffic as the submarine raids the US Atlantic Coast. After enduring horrible conditions onboard the U-boat, the young man risks everything to escape, swimming ashore to the safety of America. However, he finds himself facing poisonous anti-German sentiment and the rabid ambitions of a fanatical gang of vigilantes. His survival depends on the actions of a few honorable men—members of the local coastal life-saving service and two journalists covering the resulting huge news story. A crewman off the hated and feared attack U-boat has come ashore!

A Study Guide for Ha Jin's "Saboteur," excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.

Do you seek a healthy romantic relationship, but continue to find yourself repeating the same negative behaviors that may have ended your relationships in the past? Have you already identified destructive patterns, yet continue to repeat them despite your desire for a strong and lasting romantic relationship? If so, you are not alone. Relationship Saboteurs is an easy-to-follow guide that will help you identify and end your relationship-destroying tendencies once and for all. The book explores the ten most common relationship-undermining behaviors and shows you how to overcome them. By understanding and addressing the patterns that erode romance, you can learn to stop sabotaging your love life and prepare yourself for the healthy romantic relationship you deserve. Learn to overcome these toxic emotions and behaviors:

- Insecurity
- Needing to control
- Fear of intimacy
- Needing to win
- Pessimism
- Needing to be center stage
- Addictions
- Martyrdom
- Defensiveness
- Breaking trust

"In Nazi Saboteurs, Samantha Seiple brings readers into the high-stakes world of Hitler's most trusted team of saboteurs as the eight men are hand-selected by top Nazi officials to be trained in spycraft and sabotage. With black-and-white photos and fast-paced storytelling, readers follow the men to the coasts of New York and Florida, where they work to establish secret identities for themselves in America, identify the country's key military targets, and destroy them with explosives. Little do they know, one of them is about to turn on them all"--

" - Je veux être malheureux. Le docteur n'exprima rien qui pût trahir la moindre surprise et, en grand professionnel, invita Lucien à poursuivre. - Depuis quelque temps, je vois des malheureux partout et je m'inquiète, car je ne crois pas l'avoir été un jour. Surtout, j'ai l'impression qu'ils vivent quelque chose de très fort, qu'ils nagent dans une sorte d'extase mystique et qu'ils vibrent de tout leur être. Et je me dis qu'il y a peut-être du bonheur dans le malheur. - Et vous avez peur de ne pas être de la fête, n'est-ce pas ? - Bien sûr : je ne veux pas mourir idiot ! Mais ce n'est pas tout : à m'agiter tout seul dans mon coin, je me demande parfois si je suis

bien normal. Après tout, c'est peut-être moi le problème ? " Lucien Nardpin est un homme heureux qui est tenté par ce qu'il n'a pas : l'expérience du malheur. Le psy lui a dit qu'il y fallait du talent, mais aussi qu'il fallait être fou pour développer ce talent-là. In 1942, young British soldier Arthur Dodd was taken prisoner by the German Army and transported to Oswiecim in Polish Upper Silesia. The Germans gave it another name, now synonymous with mankind's darkest hours. They called it Auschwitz. Forced to do hard labour, starved and savagely beaten, Arthur thought his life would end in Auschwitz. Determined to go down fighting, he sabotaged Nazi industrial work, risked his life to alleviate the suffering of the Jewish prisoners and aided a partisan group planning a mass break-out. This shocking true story sheds new light on the operations at the camp, exposes a hierarchy of prisoner treatment by the SS and presents the largely unknown story of the military POWs held there.

In *The Hunt for the Saboteur*, Landon Garland's first book, two saboteurs are brought ashore from a German U-boat off the coast of Virginia in 1944. One is caught. The other escapes and becomes a spy for the Soviet Union until he is caught in 1949. In *The Revenge of the Saboteur*, the saboteur/spy, Jack Dillard, escapes and is hunted by the FBI, CIA and the KGB33, managing to reach England working as a steward aboard the *Queen Mary*. He returns to America in 1951, seeking revenge against four men who were responsible for his 1949 arrest. One by one, with murder in mind, Dillard stalks these men through England and the United States. Tom Fisher, the retired FBI agent responsible for Dillard's arrest in 1949, joins the hunt, and with the help of an MI-6 agent, tracks Dillard to a surprising ending.

In 1942, Hitler's Nazi regime trained eight operatives for a mission to infiltrate America and do devastating damage to its infrastructure. It was a plot that proved historically remarkable for two reasons: the surprising extent of its success and the astounding nature of its failure. Soon after two U-Boats packed with explosives arrived on America's shores—one on Long Island, one in Florida—it became clear that the incompetence of the eight saboteurs was matched only by that of American authorities. In fact, had one of the saboteurs not tipped them off, the FBI might never have caught the plot's perpetrators—though a dozen witnesses saw a submarine moored on Long Island. As told by Michael Dobbs, the story of the botched mission and a subsequent trial by military tribunal, resulting in the swift execution of six saboteurs, offers great insight into the tenor of the country--and the state of American intelligence--during World War II and becomes what is perhaps a cautionary tale for our times.

W.E.B. Griffin continues his gripping *Men at War* series, featuring the legendary OSS. As the Battle of the Atlantic rages, German U-boats are sinking U.S. vessels at will. Meanwhile, preparations are being made to invade Sicily and Italy. As the war heats up, "Wild Bill" Donovan and his secret agents find themselves battling on two fronts at once. And fate is about to deal them a surprise that may doom them all.

Have you ever wondered why you can't get the relationship, the happiness and the life that you want? Are you sick and tired of having to put up with the same old stuff, day in and day out? From simple phobias, stress and anxiety to chronic disease, Matt Hudson takes you on a tour of how the unconscious mind works. Maybe you would simply like to make some tiny changes to your diet or lifestyle, but you find yourself slipping back to where you started. Tiny events and experiences from your childhood can lead

to a lifetime of pain and struggle. The insights and exercises have been honed from one of the most competent behavioural change professionals in the world. Who won't you become if you don't buy this book?

Based on the stirring true story, *The Saboteur* is Andrew Gross's follow-up to the riveting historical thriller, *The One Man*. A richly-woven story probing the limits of heroism, sacrifice and determination, *The Saboteur* portrays a hero who must weigh duty against his heart in order to single-handedly end the one threat that could alter the course of World War II. February, 1943. Both the Allies and the Nazis are closing in on attempts to construct the decisive weapon of the war. Kurt Nordstrum, an engineer in Oslo, puts his life aside to take up arms against the Germans as part of the Norwegian resistance. After the loss of his fiancée, his outfit whittled to shreds, he commandeers a coastal steamer and escapes to England to transmit secret evidence of the Nazis's progress towards an atomic bomb at an isolated factory in Norway. There, he joins a team of dedicated Norwegians in training in the Scottish Highlands for a mission to disrupt the Nazis' plans before they advance any further. Parachuted onto the most unforgiving terrain in Europe, braving the fiercest of mountain storms, Nordstrum and his team attempt the most daring raid of the war, targeting the heavily-guarded factory built on a shelf of rock thought to be impregnable, a mission even they know they likely will not survive. Months later, Nordstrum is called upon again to do the impossible, opposed by both elite Nazi soldiers and a long-standing enemy who is now a local collaborator—one man against overwhelming odds, with the fate of the war in the balance, but the choice to act means putting the one person he has a chance to love in peril. "The One Man contains many different plots and characters that cross the globe, and narrator Ballerini effortlessly manages the complex story line. All accents are portrayed authentically... the audio truly enhances the written text. This historical thriller will keep listeners engaged, and although they know how the war ends, they will find themselves on the edge of their seats wondering what happens next." - Booklist on *The One Man*

The Spy is a thrilling historical espionage story by the internationally bestselling author Andrew Gross. 'Overwhelming, immersive, suspenseful' - Lee Child

FEAR It is 1943, and the Nazis' stranglehold over Europe is starting to loosen. In a corner of Norway, work is underway at a remote mountain factory to alter that course . . .

HEROISM Kurt Nordstrum is a courageous fighter who has lost everything. His fiancée. His unit. His cause. When Kurt learns of the Nazis' atomic research in his homeland, he teams up with a group of patriotic fighters, driven by one goal: to disrupt activity at the heavily guarded factory.

HEART Nordstrum must pull off the impossible if his team is to succeed. But in doing so, he must put the safety of one person at risk - the one he sees a life with. How far is he prepared to go, and how much is he willing to sacrifice?

The Spy was previously published as *The Saboteur*.

"As moving as it is gripping. A winner on all fronts."—Booklist (starred review) "Heart-pounding...This is Gross's best work yet, with his heart and soul imprinted on every page."—Kirkus Reviews (starred review)

Poland. 1944. Alfred Mendl and his family are brought on a crowded train to a Nazi concentration camp after being caught trying to flee Paris with forged papers. His family is torn away from him on arrival, his life's work burned before his eyes. To the guards, he is just another prisoner, but in fact Mendl—a renowned physicist—holds knowledge that only two people in the world possess. And the other is already at work for the Nazi war machine. Four thousand miles away, in Washington, DC, Intelligence lieutenant Nathan Blum routinely decodes messages from occupied Poland. Having escaped the Krakow ghetto as a

teenager after the Nazis executed his family, Nathan longs to do more for his new country in the war. But never did he expect the proposal he receives from “Wild” Bill Donovan, head of the OSS: to sneak into the most guarded place on earth, a living hell, on a mission to find and escape with one man, the one man the Allies believe can ensure them victory in the war. Bursting with compelling characters and tense story lines, this historical thriller from New York Times bestseller Andrew Gross is a deeply affecting, unputdownable series of twists and turns through a landscape at times horrifyingly familiar but still completely new and compelling.

A dazzling new short story featuring Darth Maul, merciless apprentice of evil . . . On the distant planet Dorvalla, precious ore is mined by two competing companies: InterGalactic Ore and Lommite Limited. Neither rival suspects that they are central to a sinister plot masterminded by Darth Sidious, Lord of the Sith, himself. Dispatched by Sidious on his very first solo mission, Darth Maul infiltrates Lommite Limited. There, his unique gifts of deception and subterfuge will set off an explosive chain of events that could destroy both companies, leaving them ripe for takeover by the Trade Federation. But a vengeful Lommite Limited Manager with his own thirst for retaliation against InterGal could blow Maul's cover--and all of Sidious's fiendishly layed plans . . . BONUS: This edition contains an excerpt from Star Wars: Darth Maul: Shadow Hunter.

It is 1942 and Jeremy Crane is living with his grandmother while his parents are away in the forces. Reading an official letter, he discovers that his mother is an undercover agent and is in trouble. Determined to rescue her, the young boy makes his way to France to rescue her from the Gestapo.

Captain Kirk hat einen Saboteur an Bord Der geniale andorianische Wissenschaftler Muav Haslev hat sich mitsamt seiner revolutionären Erfindung aus dem Staub gemacht. Seine Auftraggeber drohen den Andorianern - und damit der Föderation - mit Krieg, falls Haslev nicht ausgeliefert wird. Und als die Enterprise auftaucht, um die Lage zu beruhigen, versuchen sie mit allen Tricks, Captain Kirk und seine Crew in eine Falle zu locken. Doch die größte Gefahr droht auf der Enterprise selbst: Immer wieder treten unerklärliche Fehlfunktionen auf. Bei einem Transporterunfall sterben drei Menschen. Und als eine Explosion ein halbes Deck wegsprengt, weiß Kirk: Er hat einen Saboteur an Bord. In the tradition of Agent Zigzag comes this breathtaking biography, as fast-paced and emotionally intuitive as the very best spy thrillers, which illuminates an unsung hero of the French Resistance during World War II—Robert de La Rochefoucauld, an aristocrat turned anti-Nazi saboteur—and his daring exploits as a résistant trained by Britain’s Special Operations Executive. A scion of one of the most storied families in France, Robert de La Rochefoucauld was raised in magnificent chateaux and educated in Europe’s finest schools. When the Nazis invaded and imprisoned his father, La Rochefoucauld escaped to England and learned the dark arts of anarchy and combat—cracking safes and planting bombs and killing with his bare hands—from the officers of Special Operations Executive, the collection of British spies, beloved by Winston Churchill, who altered the war in Europe with tactics that earned it notoriety as the “Ministry of Ungentlemanly Warfare.” With his newfound skills, La Rochefoucauld returned to France and organized Resistance cells, blew up fortified compounds and munitions factories, interfered with Germans’ war-time missions, and executed Nazi officers. Caught by the Germans, La Rochefoucauld withstood months of torture without cracking, and escaped his own death, not once but twice. The Saboteur recounts La Rochefoucauld’s enthralling adventures, from jumping from a moving truck on his way to his execution to stealing Nazi limos to dressing up in a nun’s habit—one of his many disguises and impersonations. Whatever the mission, whatever the dire circumstance, La Rochefoucauld acquitted himself nobly, with the straight-back aplomb of a man of aristocratic breeding: James Bond before Ian Fleming conjured him. More than just a fast-paced, true thriller, The Saboteur is also a deep dive into an endlessly fascinating historical moment, telling the untold story of a network of commandos

that battled evil, bravely worked to change the course of history, and inspired the creation of America's own Central Intelligence Agency. Detective Isaac Bell's investigation into an attempted assassination brings him to the construction site of the Panama Canal--and straight into a nest of vipers--in the latest adventure in the #1 New York Times--bestselling series from Clive Cussler. Detective Isaac Bell's wife has said that he is always in the wrong place at the right time. This is certainly the case when Bell thwarts the assassination of a U.S. Senator shortly after meeting the man. This heroic rescue is just the start of the mystery for Bell, who suspects that the would-be assassins have a much larger and more dangerous agenda--one involving the nearly-constructed Panama Canal. While the senator supports the building of the canal, there are many, including a local Panamanian insurgency known as the Red Vipers, who never want to see its completion. With millions of dollars and the fates of two nations at stake, Bell heads to Panama to find answers. After a deadly bombing at the canal's construction site, he is determined to stop the insurgents--or whoever is funding them--before they can attack again.

The chapters contributed to this book have been written by the staff and associates of The Tavistock Consultancy Service, whose distinctive competence is in the human dimension of enterprise and the dynamics of the workplace. The intention is to identify and explore some of the key themes that have emerged, such as the emotional world of the organisation and the dynamics of resistance to change, and how these affect and influence the understanding of leadership and management in contemporary organizations. No attempt is made to reach a consensus, but rather to raise and map out a territory of continuing question and debate. Contributors: David Armstrong; Andrew Cooper; Tim Dartington; William Halton; Sharon Horowitz; Linda Hoyle; Clare Huffington; Kim James; Sarah Miller; Anton Obholzer; Jane Pooley; and Nick Temple. Part of the Tavistock Clinic Series.

Chamine exposes how your mind is sabotaging you and keeping you from achieving your true potential. He shows you how to take concrete steps to unleash the vast, untapped powers of your mind.

Winner of the Governor General's Award for Literary Non-Fiction and the 2002 Crime Writers of Canada Arthur Ellis Award for Best True Crime "A grisly catalogue of the effects of hydrogen sulphide and flaring . . . Nikiforuk provides an eloquent and persuasive voice for all downwinders." -The Globe and Mail In 1990, religious-community leader Wiebo Ludwig learned the hard way that land ownership doesn't include mineral rights. A Calgary oil company proposed to drill directly in view of the farm's communal dining room. Ludwig wrote letters, petitioned, and forced public hearings--and discovered the provincial regulator cared little about landowners. After the oil company accidentally vented raw sour gas, Ludwig's wife miscarried. Saboteurs details the ensuing conflict, which involved the oil company, police, and the larger community. Hostilities began with nails on the roads, sabotaged well sites, and road blockades. They culminated in death threats, shootings, and bombings. With the escalation of hydraulic fracturing for extreme hydrocarbons, the questions raised by Saboteurs about individual rights, corporate power and government accountability are more relevant than ever. The unthinkable has happened. Someone fiend has watered down Canada's Maple Syrup supply, and the nation is falling apart from the inside out. Annalynn sets out to find the culprit, but she finds more than she bargains for—she finds a nemesis. Can Agent Annalynn track down the Syrup Saboteur in time to save Canada from imminent collapse? Yes. Yes,

she can. But will she? Read the book and find out for yourself. I'm not going to tell you the whole story.

The year is 1943, and Andy Gledhills months of training as a paratrooper have culminated in his being assigned to the 89th Airborne. But he soon learns that the government has other plans for him. The newly formed Office of Strategic Services needs soldiers with language talents like Andys to drop into Europe behind enemy lines and help fight the war from the inside out. Andys new life of deception and sabotage is worlds away from his upbringing in sleepy little Delta, Utah. But even that town is changing, as the nearby Topaz relocation camp ignites racial tensions. And Whisper Harris, the girl Andy left behind, is caught in a maelstrom of conflicting emotions brought on by the war. Should she release Andy from the promises theyve made, as he seems to have released her? Or should she keep on hoping?

When the Nazis invaded Denmark on Tuesday, April 9, 1940, the people of this tiny country to the north of Germany awoke to a devastating surprise. The government of Denmark surrendered quietly, and the Danes were ordered to go about their daily lives as if nothing had changed. But everything had changed. Award-winning author Deborah Hopkinson traces the stories of the heroic young men and women who would not stand by as their country was occupied by a dangerous enemy. Rather, they fought back. Some were spies, passing tactical information to the British; some were saboteurs, who aimed to hamper and impede Nazi operations in Denmark; and 95% of the Jewish population of Denmark were survivors, rescued by their fellow countrymen, who had the courage and conscience that drove them to act. With her talent for digging deep in her research and weaving real voices into her narratives, Hopkinson reveals the thrilling truth behind one of WWII's most daring resistance movements.

This dramatic memoir traces Herman Bodson's transformation from a pacifist and scientist to, in his own words, "a cold fighter and a killer" in the Belgian underground, an expert in explosives and sabotage. Serving first in the OMBR (Office Militaire Belge de Resistance), he later formed a group of underground fighters in the Belgian Ardennes. They undertook blowing up military trains and installations - including the sabotage of a bridge which resulted in the deaths of some six hundred German soldiers - cutting German communication lines, and rescuing downed American fliers. Bodson also served as a medical aide to an American military doctor at Bastogne in the crucial days of the Battle of the Bulge.

All writers experience times when we don't feel like writing, or have difficulty getting words on the page. We give these situations the umbrella name of writer's block and blame our censor, critic, or editor. *Silencing Your Inner Saboteur* explores these issues and situations to discover that it is really a saboteur behind it all, preventing writers from achieving their dreams. This book is for writers of all stages, from those just beginning to those who are well into their writing careers. Inside this book, you will uncover the source of your inner saboteur, its disguises and tricks, and how to silence it. There are also exercises after each chapter to build the resources necessary for silencing your saboteur.

As newly-appointed agents in Taldor's escalating struggle for succession, the heroes must help their Princess Eutropia build a power base by reclaiming her family's land from squatters--the debased Lothead family, who feast as their subjects starve and their infrastructure crumbles. Can the heroes infiltrate the high-society of Meratt County through its extravagant balls and tournaments, while secretly undermining Count Bartelby Lothead's authority, or will their clandestine attempts to repair the damage done and woo allies ultimately lead them to the headsman's blade? "Songbird, Scion, Saboteur" is a Pathfinder Roleplaying Game adventure for 4th-level characters. The adventure continues the War for the Crown Adventure Path, as players drag a once-grand nation kicking and screaming into the modern day, becoming legendary politicians, spymasters, and nobles in their own right. A selection of new monsters, a regional gazetteer of Meratt County, and a new guide to intrigue and managing a cult of personality round out this volume of the Pathfinder Adventure Path. Each monthly full-color softcover Pathfinder Adventure Path volume contains an in-depth adventure scenario, stats for several new monsters, and support articles meant to give Game Masters additional material to expand their campaign. Pathfinder Adventure Path volumes use the Open Game License and work with both the Pathfinder RPG and the world's oldest fantasy RPG.

A stunning, apocalyptic standalone sequel to *The Stranger*. The terrorist Guy Fowle has escaped from prison. Jude Lyon of MI-6 has been saved from a Syrian ambush by his lover - and enemy? - Julia Ermolaeva. A mysterious Russian has been murdered in London and his thumb cut off. The Chancellor of the Exchequer has made an unfortunate social connection at a party, which he hopes he can keep secret. And suddenly, the world is literally going up in flames. Jude needs to start putting together the pieces of this jigsaw and quickly, because someone is putting into play a terrifying Russian plan to disable and destroy the UK. Once it has begun, it is designed to be impossible to stop. Bad enough if that someone is the Russian government. Worse if it is the psychopathic genius Fowle, otherwise known as *The Stranger*. Packed with stunning action, political intrigue, authentic tradecraft, emotion, shocks and nail-biting suspense, *The Saboteur* takes the spy thriller to new heights.

Forced to do hard labour, starved and savagely beaten, British soldier Arthur Dodd thought his life would end in Auschwitz. Determined to go down fighting, he risked his life to sabotage Nazi industrial work and alleviate the suffering of Jewish prisoners. This shocking true story presents the largely unknown story of the military POWs held there.

* Detailed walkthroughs for all of Sean's missions!
