The bold and innovative McGraw-Hill Taxation series is now the most widely adopted code-based Tax title across the country. It's apparent why the clear, organized, and engaging delivery of content, paired with the most current and

robust tax code updates, is used by more than 600 schools. The breadth of the topical coverage, the storyline approach to presenting the material, the emphasis on the tax and non-tax consequences of multiple parties involved in transactions, and the integration of financial and tax accounting topics make this book ideal for the modern tax curriculum. Story line Approach: Each chapter begins with a story line that introduces a set of characters or a business entity facing specific tax-related situations. Examples related to the story line allow students to learn the code in context. Integrated Examples: In addition to providing examples in-context, we provide "What if" scenarios within many examples to illustrate how variations in the facts might or might not change the answers. More than 100 Videos: Guided Example hint videos provide students with on-demand walk-throughs of key Tax topics, offering narrated, animated, step-by-step solutions to algorithmic variants for select exercises similar to those assigned. Conversational Writing Style, Superior Organization, and Real-World Focus

Master the concepts behind today's federal taxation using the balanced, conceptual approach in Murphy/Higgins/Skalberg's CONCEPTS IN FEDERAL TAXATION 2021. You examine the latest tax codes and most recent changes for the current tax year in a clear, straightforward approach that prepares you for success on the CPA Exam. You learn the unifying concepts behind the Internal Revenue Code rather than memorizing details of the Code. Concepts and applications appear in brief, comprehensible segments that are ideal for CPA Exam review. In addition, examples relate concepts to familiar business scenarios with more opportunities for practice than any other book of this kind. CengageNOWv2 online homework tool helps optimize study.
