The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic

and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.

With the unexpected death of Russian President Aleksandr Luganov, and Iran's efforts to acquire fully operational nuclear warheads successfully thwarted, American President Andrew Clarke decides the moment has come to unveil his comprehensive proposal to achieve peace between Israel and the Palestinians.

“As moving as it is gripping. A winner on all fronts.”—Booklist (starred review) “Heart-pounding...This is Gross’s best work yet, with his heart and soul imprinted on every page.”—Kirkus Reviews (starred review) Poland. 1944. Alfred Mendl and his family are brought on a crowded train to a Nazi concentration camp after being caught trying to flee Paris with forged papers. His family is torn away from him on arrival, his life’s work burned before his eyes. To the guards, he is just another prisoner, but in fact Mendl—a renowned physicist—holds knowledge that only two people in the world possess. And the other is already at work for the Nazi war machine. Four thousand miles away, in Washington, DC, Intelligence lieutenant Nathan Blum routinely decodes messages from occupied Poland. Having escaped the Krakow ghetto as a teenager after the Nazis executed his family, Nathan longs to do more for his new country in the war. But never did he expect the proposal he receives from “Wild” Bill Donovan, head of the OSS: to sneak into the most guarded place on earth, a living hell, on a mission to find and escape with one man, the one man the Allies believe can ensure them victory in the war. Bursting with compelling characters and tense story lines, this historical thriller from New York Times bestseller Andrew Gross is a deeply affecting, unputdownable series of twists and turns through a landscape at times horrifyingly familiar but still completely new and compelling.

"Blending elements of memoir, history, and biography," the son of a Holocaust survivor "portrays the horrifying reality of the . . . concentration camps" (Midwest Book Review). In June 1944, the Nazis locked eighteen-year-old Dave Hersch into a railroad boxcar and shipped him from his hometown of Dej, Hungary, to Mauthausen Concentration Camp, the harshest, cruelest camp in the Reich. After ten months in the granite mines of Mauthausen's nearby sub-camp, Gusen, he weighed less than 80lbs, nothing but skin and bones. Somehow surviving the relentless horrors of these two brutal camps, as Allied forces drew near Dave was forced to join a death march to Gunskirchen Concentration Camp, over thirty miles away. Soon after the start of the march, and more dead than alive, Dave summoned a burst of energy he did not know he had and escaped. Quickly recaptured, he managed to avoid being killed by the guards. Put on another death march a few days later, he achieved the impossible: he escaped again. Using only his father's words for guidance, Jack Hersch takes us along as he flies to Europe to learn the secrets his father never told of his time in the camps. Beginning in the verdant hills of his father's Hungarian hometown, we accompany Jack's every step as he describes the unimaginable: what his father must have seen and felt while struggling to survive in the most abominable places on earth. "This deeply personal and extremely informative portrait of a man of indomitable will to live, as Hersch emphasizes, reminds us of why we must never forget nor trivialize the full, shocking truth about the Holocaust."—Booklist

When the Holocaust broke out in Europe, Hansi and Joel Brand were joined by Israel (Rezs?) Kasztner to launch an organized effort to save thousands of human lives. Their efforts, which involved playing a dangerous bluffing game against the Nazi regime, helped to end the Auschwitz extermination. Their success put them at odds with the political machine of the young state of Israel. Politicians wanted the public to believe that there was nothing they could do, a sentiment which many still believe to this day. This cover-up led to Israel's first politically-motivated homicide.

Based on interviews with political, military, intelligence, business, and religious leaders in Israel, Iran, Iraq, and Russia; newly declassified documents from the CIA, Pentagon and White House; an exclusive poll of American attitudes toward biblical prophecy, Israel, and current events; and his own interpretation of biblical prophecy, Rosenberg presents ten "future headlines" for the Middle East and the world.

After Israel declares war on Iran, CIA operative David Shirazi infiltrates the Iranian regime and intercepts information indicating that two Iranian nuclear warheads have been moved to a secure and undisclosed location.

The Last Days is a stunning political thriller from New York Times bestselling author, Joel C. Rosenberg. Osama bin Laden is dead. Saddam Hussein is buried. Baghdad lies in ruins. Now the eyes of the world are on Jerusalem as Jon Bennett--a Wall Street strategist turned senior White House advisor--his beautiful CIA partner Erin McCoy and the U.S. Secretary of State arrive in the Middle East to meet with Palestinian leader Yasser Arafat. On the table: a dramatic and potentially historic Arab-Israeli peace plan, of which Bennett is the chief architect. At the heart of the proposed treaty is the discovery of black gold deep underneath the Mediterranean--a vast and spectacular tract of oil and natural gas that could offer unprecedented riches for every Muslim, Christian, and Jew in Israel and Palestine. With the international media closely tracking the story, the American message is as daring as it is direct: Both sides must put behind them centuries of bitter, violent hostilities to sign a peace treaty. Both sides must truly cooperate on drilling, pumping, refining, and shipping the newly found petroleum. Both sides must work together to develop a dynamic, new, integrated economy to take advantage of the stunning opportunity. Then--and only then--the United States will help underwrite the billions of dollars of venture capital needed to turn the dream into reality. What Ryker uncovers is a chilling plot to kill the American president himself, but at first, it's unclear who is the driving force behind the plot. Or is it another conspirator altogether, someone plotting to strike a blow against American hegemony in the Middle East and seize the leadership of the entire Sunni
